

2994 Christmas Creek Road Lamington, QLD

 66.13 m²

The ultimate "Tree Change" getaway!

This unique 163-acre private property is set amongst natural rainforest and virgin scrub with the clear waters of Christmas Creek forming the southern boundary. Places with this much tranquillity rarely hit the market.

This hidden gem is nestled between the mountain gorges and spectacular cliff faces and is set up for a perfect, secluded getaway or home for any family. A comfortable, modern, equipped, 2-bedroom container home is ready to be enjoyed. There are numerous camp sites beside the meandering creek with permanent swimming holes with an abundance of native flora & fauna. The large, lockable 10x20* shed has been set up with power & concrete floors perfect for workshop, currently used as farm storage.
